

Our Environment

All children in our special project are thinking about caring for the environment.

		Never	Sometimes	Always
1	Do you recycle your waste at home?			
2	Do you turn off the light when you leave the room?			
3	Do you turn off the tap when you clean your teeth?			
4	Do you try to save water by having a shower instead of a bath?			
5	Do you walk when you can, instead of travelling by car?			
6	Do you take your own bag when you go shopping?			
7	Do you take your own rubbish home?			
8	Do you put on more clothes or is the heating turned up when it's cold?			
9	Do you try to look after the trees?			
10	Do you try to save paper?			

What do you like about where you live?

What would you improve?
